

## Police Department Report

The following is a summary of activity for the Raisin Township Police Department for the month of November.

### Significant Activity:

Officer Wright made a routine traffic stop on a vehicle that was observed running a stop sign and recovered a significant amount of marijuana and cash in the vehicle. The driver was arrested and charged with: Possession with the intent to deliver narcotics, Driving under the influence of drugs and Child endangerment. He had a young child in the vehicle with him. His vehicle and the cash were seized under the drug forfeiture act.

Civil disputes and assaults seem to be on the increase in the township with officers spending a great deal of time trying to mediate between neighbors or family members. Some of the situations have escalated into arrest able offenses. Most are civil in nature and officers cannot take any action.

Officer Wright stopped a vehicle that appeared to be driving while intoxicated. The driver and passenger were indeed both intoxicated. While conducting his investigation, Officer Wright discovered that the two men were wanted by the Immigration and Customs Enforcement (ICE) unit as being in the country illegally. Both men were lodged at the Lenawee County Jail. The next day ICE agents came and took custody of them.

### Traffic Enforcement:

Officers continue to respond to a significant number of car-vs.-deer accidents in the township. We would like to ask residents to continue to be alert for these animals this time of year.

We are gearing up for the annual drunk driving enforcement period during the coming holidays. Extra patrols across the county are being funded thru a grant program to try and reduce the number of drunken driving related accidents and fatalities. Our officers will be taking a zero tolerance stance during these holiday season initiatives.
