### Monthly Activity:

The weather was the biggest generator of complaints for us this month. Between accidents and general assists, we stayed very busy. Our patrol car was struck while parked at an accident scene. One accident became four accidents before our units could clear. The damage to the patrol car was minimal and no one was hurt.

The weather also made it difficult for our officers to conduct traffic stops safely. Despite of that, officers set a record January for traffic stops and tickets.

Officers Escott and Schmidt conducted a sweep within the township for suspects wanted on outstanding warrants. They were able to find and arrest several suspects wanted on various misdemeanor and felony charges.

Officers Escott and Schmidt assisted narcotics officers from OMNI in a raid on a drug house located within the township. One suspect was charged and charges are pending on two other occupants at the residence. A significant amount of marijuana was seized as well as cash. Good job to everyone involved.
